Author's Note:

We proudly present this eBook, "40+ ideas with the exact prompts we used to get the best results."

As the creators of this eBook, we have carefully curated these ideas and prompts to help you make the most out of ChatGPT and Google Bard, two powerful AI tools that can revolutionize how you create content and solve problems.

As you work through this ebook, please leave a review for our course. Your feedback helps us improve our offerings and provides valuable insights for other students looking to learn from our courses.

Thank you for choosing our course, and we hope this ebook helps you unlock the full potential of ChatGPT and Google Bard.

Best regards,
Diego Davila & Phil Ebner
